Important Update: Health and Safety Precautions for the New Session

Dear Parents,

As we continue into the new session, we want to reassure you that the safety and well-being of our students and staff remain our utmost priority.

Given the current concerns surrounding health and safety due to the prevailing Dengue season, we want to provide you with an update on the precautionary measures we are implementing to ensure a secure learning environment. Our school has adopted enhanced cleaning protocols, including weekly campus-wide fumigation. On the remaining days, we are also using *dhoop* to thoroughly cleanse all corners of the campus, effectively keeping mosquitoes at bay.

Furthermore, we are closely monitoring the recommendations of local health authorities and will promptly adjust our protocols as required.

Your cooperation is indispensable in this endeavor. We kindly request that if your child is experiencing a fever or displaying any symptoms, please allow them to stay home and recover. Additionally, ensure that your child comes to school wearing mosquito repellent.

We understand the concerns you may have, and we want to assure you that we are fully committed to providing a secure and nurturing learning environment for your children.

Thank you for your support.

Sincerely,

CGS-D Primary-Secondary Administration
