Important Notice - Traffic Management and Bag Weight

Dear Parents,

We would like to draw your attention to a couple of critical matters that significantly impact the well-being and safety of our students.

- Traffic Management during Dispersal:** Recently, there have been instances of cars blocking roads during dispersal, causing inconvenience to both parents and staff. To ensure the smooth flow of traffic, we kindly request your cooperation in parking your vehicles a little farther away from the school road. This small adjustment will contribute significantly to the efficiency of our dispersal system.

Guidelines for Proper Dispersal:

- **Timely Arrival:** We encourage guardians to arrive promptly during the scheduled pick-up times.
 - **Identification/Traffic ID Cards:** For the safety of the students, we request authorized guardians to display the provided Traffic ID cards during pick-up.
 - **Communication:** Please inform the school office in advance if there are any changes in pick-up arrangements.
- Bag Weight Management:** Another important concern is the overloaded bags that many students carry to school. We kindly request you to remind your child to pack their bags according to the class routine and utilize the lockers provided by the school. Carrying excessively heavy bags can lead to discomfort and potential health issues. We advise students to bring only the necessary books, copies, and supplies each day to reduce the weight of their bags.

We sincerely thank you for your ongoing support and appreciate your cooperation in implementing these measures for the safety and well-being of our students.

Thank you.
