MAY 2024

Dear Parents,

Encouraging a love for reading from a young age can foster a lifelong dedication to learning and growth. As the adage goes, "reading is to the mind what exercise is to the body." With this principle in mind, we are thrilled to announce that we have partnered with Cholpori to launch a reading challenge for students in classes 1 to 4. The competition commenced with an engaging reading session led by members of the Cholpori team. Over a five week period and into the Ramadan break, students immersed themselves in both English and Bangla storybooks to maintain their momentum in the challenge.

As our students in classes 9 and 10 concluded their final round of mock exams in March, they have embarked on their study leave in preparation for their O' Level examinations in April - June. To our O' Level students, we encourage you to utilize this critical period for thorough revision. Remember, our teachers are readily available for assistance should you require any support during your preparations. While dedicating yourselves to your studies, it is essential to prioritize self-care. Remember to take breaks, ensure adequate rest, maintain a balanced diet, and incorporate physical activity into your routine. These practices are instrumental in ensuring you are in peak condition for the exams ahead.

We had an exciting and fun filled CGSD Pohela Boishakh Carnival. This year's event was vibrant and dynamic - featuring an expanded array of rides beyond the renowned Nagordola, as well as a diverse selection of traditional Boishakhi cuisines, including pantaailish, refreshing thirst-quenchers and much more! We eagerly welcomed in the new year with joy and anticipation for peace and prosperity for all.

Wishing our O' Level candidates the very best of luck for the ensuing examinations.

Warm regards,

Rubaiyat Razzaque
