NOVEMBER 2025

Dear Students and Parents,

We are delighted to announce that CGSD will have a student-led stall at Flow Fest Dhaka from 6th to 8th November at Justice Shahabuddin Park. Our senior students will be managing the stall throughout the three days, which will feature fun games for all ages, beautiful handmade items crafted by our Community School students and the young girls of Chattogram Balika Sadan, along with delicious baked goods and treats prepared by our Baking Club and dedicated teachers. We warmly invite you to come and support our students while enjoying the festivities.

Congratulations to our students from Classes 8 to 11 who participated in the CGS MUN 2025. They returned confident, having refined their skills in public speaking, diplomacy, and critical thinking. During their training and preparation, it was inspiring to see the passion and dedication with which these twenty-one students approached the challenge, on a mission to make CGSD shine. Model United Nations (MUN) is a masterclass in real-world skills, and we celebrate their achievements. Excitement is already building among students eager to participate in the upcoming international MUNs.

With the pleasant winter weather upon us, we are planning a series of outdoor events and educational excursions, including several new activities that encourage greater parent participation. From our in-house RS trips in Chittagong to the Annual Athletics and friendly on-campus matches/competitions, students will have a range of meaningful, hands-on learning experiences. This is the perfect time for them to be active, explore new environments, and learn through experience.

World Teachers Day was celebrated (below) with our wonderful faculty who are the pillars that hold up our institution. We are so proud of you! We look forward to a vibrant and active Winter Term ahead.

Best regards,
Rubaiyat Razzaque
