VOLUME 16, ISSUE 5

DECEMBER 2025

Dear Parents,

Let us begin by appreciating our students and staff who volunteered their time and effort to make our stall at Flow Fest Dhaka 2025 a massive success. Their dedication surely made us stand out. The event was not just about showcasing our school. It was a celebration of the vibrant culture and spirit that defines CGS Dhaka.

We also extend our deepest congratulations to the Institute for Career Studies (ICS) Counselling Team on completing forty years of their remarkable journey. It has been an honour to be part of their legacy, having them visit our Dhaka and Chittagong campuses each year to guide our students as they begin their O' Level journey. From aptitude assessments and parent information sessions to one-on-one counselling, their expert guidance has helped countless students make well-informed decisions about their futures.

As December approaches, preparations are nearly complete for the much-anticipated Round Square In-House Conference in Chittagong. This is one of the highlights of our academic calendar, eagerly awaited by students of Class 5 to 11. The conference offers a unique platform for learning, sharing, and self-discovery. This year's theme, "Together We Rise," invites our young delegates to reflect on unity and collective strength. We hope they make lasting memories and enjoy this time.

As we head into the winter break, I hope all families take this chance to rest and reconnect. It has been a busy and fulfilling term. Let us take this well-earned pause before we return in mid-January, ready for the adventures that lie ahead.

Happy New Year! May it be a good one for us all.  
Best regards,

Rubaiyat Razzaque
