

CGS Dhaka Newsletter

VOLUME 16, ISSUE 5

DECEMBER 2025

Dear Parents,

Let us begin by appreciating our students and staff who volunteered their time and effort to make our stall at Flow Fest Dhaka 2025 a massive success. Their dedication surely made us stand out. The event was not just about showcasing our school. It was a celebration of the vibrant culture and spirit that defines CGS Dhaka.

We also extend our deepest congratulations to the Institute for Career Studies (ICS) Counselling Team on completing forty years of their remarkable journey. It has been an honour to be part of their legacy, having them visit our Dhaka and Chittagong campuses each year to guide our students as they begin their O' Level journey. From aptitude assessments and parent information sessions to one-on-one counselling, their expert guidance has helped countless students make well-informed decisions about their futures.

As December approaches, preparations are nearly complete for the much-anticipated Round Square In-House Conference in Chittagong. This is one of the highlights of our academic calendar, eagerly awaited by students of Class 5 to 11. The conference offers a unique platform for learning, sharing, and self-discovery. This year's theme, "Together We Rise," invites our young delegates to reflect on unity and collective strength. We hope they make lasting memories and enjoy this time.

As we head into the winter break, I hope all families take this chance to rest and reconnect. It has been a busy and fulfilling term. Let us take this well-earned pause before we return in mid-January, ready for the adventures that lie ahead.

Happy New Year! May it be a good one for us all.

Best regards,

Rubaiyat Razzaque

ICS CAREERS SEMINAR

A team from the Institute for Career Studies (ICS) visited CGSD recently (above) to conduct an informative seminar for parents and students of Class 7 about O' Level subjects, universities, professions and much more. They also provided individual career counselling for students and their parents.

CGSD AT FLOW FEST DHAKA

CGSD recently participated in Flow Fest Dhaka, showcasing food and products from the Community School and Balika Sadan Orphanage. Students from Classes 5 and 6 engaged in activities including meditation, storytelling, fitness routines, and exploring interactive stalls. The photo above captures the vibrant festival atmosphere and the enthusiastic involvement of our students and the CGSD stall.

SUPPORT STAFF LUNCH

The Annual Support Staff Lunch Program took place recently at the CGSD rooftop, creating a warm and festive atmosphere for all attendees. The evening featured a variety of colourful activities, with support staff enjoying quality time with their families. Children took part in engaging and playful games, a shared lunch was served for everyone, and an exciting raffle draw added extra enjoyment to the celebration. This annual event honours the work and dedication of our wonderful support staff.

CGSD COSTUME DAY CELEBRATION

Students from Playgroup to Class 11 celebrated Costume Day on 2nd November, a group pictured below. The day was filled with joy and creativity as students came dressed as their favourite characters from books, movies, and history. The event reminded us all about the power of stories in our lives.

CLIMATE ACTION DAY

CGSD recently observed Climate Action Day to raise awareness and inspire action towards protecting our environment. Students were engaged in environmental activities, projects and dressing in earth themed clothes.

TERTIARY SEMINAR

Shaheda Higher Education Consultancy and Kaplan Pathways held a seminar for class 11 students on opportunities for higher education abroad and discussed programs leading to top universities in the USA, UK, and Australia.
