15 April 2025

Dear Parents,

As part of our ongoing efforts to launch the A Levels programme at CGSD, we would like to share an important update with you. While many of you have expressed keen interest, we are still working towards reaching our target number of confirmed students along with the necessary payment to secure their slots.

Our team has been in constant communication with parents, encouraging them to continue their child's academic journey with CGSD, their second home. It is never our intention for our students to be compelled to complete their high school education elsewhere, especially when this initiative stemmed from the requests and aspirations of our own students and their families.

Simultaneously, we have been preparing diligently by identifying the best teachers for the programme, upgrading our labs, and setting up the required classrooms and resources to ensure a strong start.

In light of current sign-up progress, we have extended the final deadline to 24 April. If we do not receive adequate confirmations and payments by this date, we will unfortunately not be able to proceed with the launch. In such a scenario, the Accounts Department will initiate refunds for those who have already made payments.

We assure you that we are passionately committed to making this happen but we cannot do it alone. We sincerely request your continued support in encouraging others to sign up as well. Let us work together to bring this vision to life - for our students, and for CGSD.

Best regards,

Rubaiyat Razzaque

Deputy Head

CGSD Primary-Secondary

An Organization of Schools Throughout the World Committed to Education Through International Understanding, Democracy, Environmental Stewardship, Adventure, Leadership and Service.
