MAY 2025

Dear Students and Parents,

As we welcome the Bangla New Year 1432, may it bring peaceful times, renewed hope, and the tolerance and togetherness we so deeply need today. Here at school, we recently celebrated this special occasion with a colourful event full of energy. Students from all class levels came in festive outfits and lit up the stage with captivating performances, like the one below.

During the recent break, many of you may have watched the thought-provoking series *Adolescence*. For me, this was a strong reminder of the complex emotional landscape our teenagers navigate every day. From bullying and digital exposure to peer pressure and changing ways of communicating, there is a lot they are dealing with. The series really drove home how important it is for us, as a school, to give students a safe space where they can speak openly, understand the impact of their actions and learn to navigate the digital world wisely. This commitment goes beyond social awareness classes and regular counselling. We aim to equip every teacher to spot and respond to signs of student distress with care and sensitivity.

Of course, as parents we also have a crucial role to play. Adolescence serves as a reminder that children need us, to listen, be present, and guide without judgment. Knowing who their friends are, what they are doing online, and how they are feeling can make a world of difference. Getting teens to open up can be tough, but we must keep trying until it clicks.

As we gallop into the final stretch of the academic year, our focus sharpens on academics. Daily study routines and maintaining open communication with teachers are key. We encourage students to seek teacher support whenever needed.

Finally, let us keep in our thoughts and prayers all those students who are preparing for their upcoming O' Level exams in May/June. May their efforts be rewarded with great success.

With best wishes,

Rubaiyat Razzaque
