

# CGS Dhaka Newsletter

VOLUME 15, ISSUE 11

JUNE 2025

Dear Parents and Students,

We are delighted that CGSD has officially moved from a candidate school to a global member of Round Square - an exciting milestone that opens up incredible international opportunities for our students.

As we enter the final month of the academic year, it feels like time is racing with so much to do and so few days left! Elementary students are busy creating memory books, reflecting on the year. Our youngest learners from PG to Class 2 are wrapping up another joyful and successful year, eagerly looking forward to their class party on the last day of June. While students from Grades 3 to 8 are focused on preparing for their exams and our Class 10 students are excited for their long-awaited Graduation Day. This event will be graced by a number of inspiring individuals sharing valuable experiences that has helped to shape them.

To make the end of the year truly memorable, we have planned several fun activities through June, even as academics continue at full pace. Events like World Ocean Day, an art exhibition, ECA poster displays, Cooking Day, and Fancy Dress Day promise to keep the energy high. We shall also continue to observe "Green Hour" twice a day and "Zero-Waste Day" twice a month to reduce our carbon footprint. Every small effort matters, and this was our way of actively contributing to environmental sustainability. We have started small and plan to gradually expand our efforts.

Warm Regards,  
Ridwana Ali

## WORLD CHILDREN'S ART

We are so proud of Md. Tahmid, (4G), Left, who has had his artwork selected to represent CGSD in the 2025 PTPI Ulsan Chapter Planning - World Children's Art Exchange Exhibition in Korea!

Themed "For Peace!", this special event celebrates the 103<sup>rd</sup> Anniversary of Children's Day and brings together young artists from around the world to share their visions of harmony and hope. Congratulations, Tahmid!

## WISH TRAINING

A team from WISH (Well Being in School and Higher Education) conducted training sessions for CGSD faculty members to develop Social Emotional Learning (SEL) in our classrooms. The training focuses on fostering positive social behaviours such as empathy and cooperation, while also aiming to reduce emotional distress among students.

Additionally there were sessions for parents who were interested to participate in this endeavour.

## CGSD DAILY STAR AWARDEES

Eight CGSD students received the prestigious Daily Star Award for excellence in their O' level examinations for the last session, 2024.

Awardees, pictured standing below, Left to Right, Shafwan, Zulqarnain, Zuhayer, Aaria, Shaira, Faraz, Shanan and Tauseef.

## AUSTRALIA CONFERENCE

Bunbury Cathedral Grammar School and Scotch College, Perth, recently hosted a Round Square conference, themed, 'Footprints of Unity.' Set against the scenic backdrop of Perth, the conference brought together delegates from India, Bangladesh, the USA, and Australia. It offered students a chance to explore the city's iconic locations, including Fremantle, Barrack Street Jetty, Caversham Wildlife Park, Elizabeth Quay, and the serene beauty of King's Park. Conference highlights included a thrilling museum treasure hunt, an eye-opening Dolphin Discovery cruise, a memorable walk along the historic Busselton Jetty, and an immersive journey into Ngilgi Cave. Students also engaged with the rich traditions of the Wadandi people, witnessing the ancient practice of traditional fire lighting.

A key moment was the "Eatup" activity, where students came together to prepare 2,000 sandwiches for public school students, reflecting RS Ideals of service and commitment to giving back to the community. Everyone had an amazing experience!

CALENDAR OF EVENTS	DATE
Eid-ul-Adha*	7.6.2025
Final Examinations	17-29.6.2025
Class Parties	30.6.2025

## Class Notes: Class 9

Fabbihah for the 18th of June.

#### Class News

Dear Parents and Students,

As we approach the end of the Summer Term 2024-25, we want to congratulate you on completing your first O Level exams! This is your moment to push harder—your final assessments are within reach. Clarify every doubt, revise strategically, and remember: your teachers are here to ensure you succeed.

Then, on June 30th, we celebrate your hard work at the Class Party—because every achievement deserves recognition! Wishing you a joyous Eid ul-Adha ahead. Stay focused, finish strong, and let us make this term unforgettable.
