VOLUME 15, ISSUE 12

JULY 2025

Dear Parents,

As we wrap up this academic year, I want to take a moment to especially acknowledge the parents of the O' Level graduates of 2025, as well as the students, for their trust, commitment, and support in helping us finally launch the A' Level programme. We are truly grateful to have our students choose to stay with the school they care about so deeply. It is now our responsibility to ensure they continue to receive the care, guidance, and quality education they deserve in these final years before university.

With the arrival of the summer break, students can enjoy a longer period of rest. As parents, we know this comes with its own set of challenges. Still, it is important to help our children find a good rhythm during the holidays. Limiting screen time, encouraging regular sleep patterns, and maintaining a sense of balance will go a long way. Try to help them make time each day for reading, physical activity, journalling, or even experimenting with healthy meals. These small steps can help build habits that last.

While students enjoy their break, our team is already hard at work preparing for the year ahead. We have been carefully looking into every detail that will make a difference, from finalising a tailoring team that can provide students with more comfortable uniforms in the right school blue, to ensuring that our learning environment is stronger than ever. Our teachers will also be taking part in focused training to deepen their skills and get ready for the new academic year. We want every part of the school, both inside and outside the classroom, to be ready for a fresh and purposeful August start.

Wishing you all a restful, joyful summer.

Rubaiyat Razzaque,

Deputy Head, CGSD Primary-Secondary

CALENDAR OF EVENTS	DATE
PTM - Elementary	1.7.2025
Ashura*	6.7.2025
PTM— Primary & Secondary	12.7.2025

## RS GLOBAL CHALLENGE

This year, students in Round Square schools across the world have set an internationally collaborative challenge to circumnavigate the globe by collectively completing 24,901 miles (40,074 km) by 5<sup>th</sup> June 2025, which is Round Square Day. A group of CGSD students (above) engaged in activities such as walking, running, wall climbing, and team tasks, covering nearly 100 miles during a visit to the Air Force Museum Basecamp at Agargaon.

## ENVIRONMENTAL ACTIVITIES

**Greening our Spaces:** As part of our Greening the Environment and the Curriculum initiative, students in classes 3 - 7, (below) grew plants in their classrooms to show their love for nature.

**Recycling:** Elementary students (below) enjoyed making new items out of discarded clothes!

While classes 6 to 8 did a wonderful ocean poster made of recycled plastic, below.

## RS UK CONFERENCE

Ayman (7G), Tehzeeb (7G), and Zeba (7C) accompanied by our Deputy Head, Ms. Rubaiyat (below) had an unforgettable experience at the recent Round Square Conference hosted by Milton Abbey School, nestled in the most scenic village of Milton Abbas, Dorset in the United Kingdom.

From the moment they arrived, it was a week filled with adventure, friendship, and discovery. Students played football, hockey, and cricket on the school's breathtaking 80 acre grounds (including a golf course!), dined in a stunning 15<sup>th</sup> century hall, and solved clues in a thrilling treasure hunt that spanned the historic campus, including a 10<sup>th</sup> century chapel.

The conference brought together students from across the globe including Peru, India, Pakistan, Bangladesh, Canada, the USA, and Germany.

At the heart of it all were adventure, teamwork, and meaningful friendships. What truly made it special was the warm hospitality, enthusiasm, and kindness of the hosts at Milton Abbey, a community we will always remember with great fondness.

They also enjoyed a day in London (below)!

## Class Notes: Class 9 July 2025

### Achievement Awards for June:

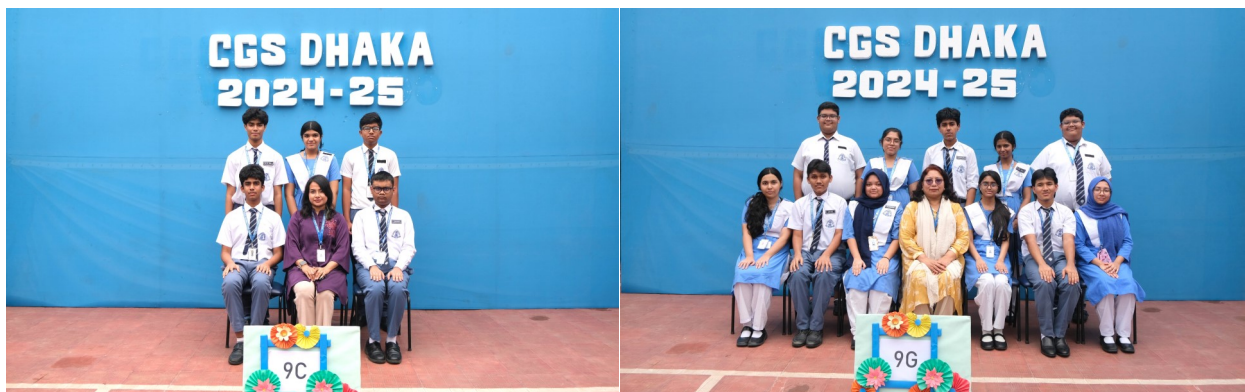

**English:** Ruhani, Zunairah  
**Maths D:** Shehzad, Ziyad  
**Bangla:** Rayan, Ryan

**BD. Studies:** Saahir, Aydin  
**Env. Management:** Ishrat  
**Commerce:** Ruhani  
**Economics:** Faraz  
**Accounting:** Rayan  
**Bus. Studies:** Ruhani  
**Computer Science:** Faraz, Nafsiyat  
**Art:** Zumana  
**Gym:** Ruhani, Aryan  
**Kindness Guardian:** Faraz, Safwat

### Class News...

Dear Parents and Students,

Thank you for your support throughout this session. It has been a meaningful journey, and we were delighted to see the students enjoy the Class Party with such enthusiasm. The Parent-Teacher Meeting will be held on 12th July to review each student's progress, and we look forward to seeing you there. As the session comes to a close, let us take time to reflect, recharge, and prepare for a fresh start. Wishing you a joyful and relaxing holiday!

Class 9 Teachers

# Enjoy Your Holidays!
