AUGUST 2025

Welcome back, CGSD family, we have some exciting news as we start the new school year!

Rubaiyat Razzaque, the Deputy Head at CGSD (pictured left) will be stepping into the role of Head of School (Elementary, Primary, and Secondary) effective from the new school year in August.

We are confident that Rubaiyat will bring the vision, experience, and passion necessary to lead our school into its next chapter of growth and excellence. Please join us in congratulating Rubaiyat on this well-deserved promotion.

Dear Parents,

It is both an honor and a pleasure to welcome you to the 2025–26 academic year on behalf of our Elementary, Primary, and Secondary staff. This year, we remain committed to providing an enriching experience that blends academics, sports, diverse extracurricular activities, social-emotional growth, conferences and memorable outings, adventures, and events.

We are especially excited to meet you all during our parent induction sessions. This time, we have redesigned the experience to be more engaging. The sessions will include short and impactful breakout discussions, mindfulness activities, and reflections from students who have participated in international conferences. We look forward to welcoming you to our vibrant, purpose-built campus in the heart of the Dhaka, now fully equipped to support learners from Playgroup through A' Levels.

Your feedback continues to guide us. In response to your input, we confirm that outdoor sports will remain a key part of our programme. Additionally, we are excited to share updates on upcoming Round Square international conferences, stay tuned for details!

As the Chinese proverb reminds us, "The vast sea allows fish to leap freely, the boundless sky lets birds soar without limits." At CGSD, we strive to create these very opportunities where your child can explore their potential and aspirations without boundaries.

Our community is more than just a school, it is a family. From the moment you join us, you become part of a bond that extends far beyond graduation. Here is to an extraordinary year ahead!

Onward together,
Rubaiyat Razzaque
