OCTOBER 2025

Dear Students and Parents,
 What a good start to the term it has been! The CGSD Digital Art Competition brought out mind-blowing creativity from our students and set a bright tone for the days ahead. With more than sixty Art entries from Classes 3 to 11, the talent on display was remarkable. Each piece reflected imagination and skill, and it was a joy to celebrate the winners in assemblies and present their certificates. At the same time, the competition reminded us how strangely technology is shaping the lives of our children. While it offers new ways to create, it also brings pitfalls. As educators, we share with parents a concern about the increasing use of gadgets. Many children spend long hours on apps such as Roblox and Discord, often connecting with strangers besides just known friends and playing late into the night. We ask that you partner with us by monitoring the apps your child uses and setting clear limits on screen time. Let us work together to ensure our students' digital lives are safe, balanced, and healthy.

Finally, we congratulate our O' Level students on their praiseworthy results. A banner displaying their achievements has been put up to inspire younger students to aim high. Their dedication has made us proud, and we will actively supporting both O' and A' Level students as they prepare for the next stage of their exams. We also ask for your support in ensuring children get sufficient rest at night and arrive on time, ready for the day ahead. This is well within reach. With steady discipline and routine at home, healthier habits can be built.
 Best regards,
 Rubaiyat Razzaque

Class News...

Dear Parents and Students,

With great enthusiasm, we celebrated World Gratitude Day on 21st September, where our students actively engaged in inspiring and meaningful projects. As we look ahead to October, the month will begin with the joyous festivities of Durga Puja, followed by our observance of UN Day and Climate Action Mufti Day on 23rd October. This year's theme, "Together We Rise," encourages our students to come forward with creativity, unity, and passion. Amidst these wonderful celebrations, we remind our students that while festivities bring joy and inspiration, academic focus must remain a top priority. True success comes through consistent hard work, dedication, and perseverance. Let us celebrate these moments wholeheartedly, also use them as opportunities to grow, learn, and achieve excellence in both academics and life.
