Please note that if an exam cannot be held due to sudden school closure as a result of unavoidable circumstances, it will be shifted to the next day. If further changes take place, the school will separately get in touch to notify parents and students. For students without exams on a particular day, regular classes will continue as scheduled. Additionally, after the completion of an exam (if it concludes before the school day ends), classes will be conducted by the respective subject teachers. The regular routine will be followed throughout.
