INTERNATIONAL SCHOOL

Notice to Parents (Playgroup to Grade 10)
Date: 11.11.2026
To: Parents (Playgroup to Grade 10)
From: Vice Principal

Subject: Anti-Bullying Campaign Week, 2026-27

Dear Parents,
Assalamu Alaikum.

This is to inform that Guidance International School will observe an Anti-Bullying Campaign Week from Sunday, November 15th to Wednesday, November 18th, 2026. This year, we are aligning with the international theme, "Break the Silence," to encourage our community to stand up, speak out, and foster a safe, supportive, and respectful environment for everyone.

Throughout the week, we will host various activities to educate students on preventing bullying, promoting digital safety, and building positive bystander behaviors.

15th November: Wear Anti-Bullying badges
Attend discussion sessions on Bullying in the Light of Islam.

16th November: Project display

17th November: Pledge against bullying activity

18th November: Food Sharing to promote inclusion and kindness.

We urge our parents to help, encourage and ensure that the children are completing assigned projects related to the campaign neatly and timely.

In addition, following are some steps we can take at home to ensure that our children are safe.

- **Normalize Daily Debriefs:** Allot 15minutes daily to ask open-ended questions about school social circles so that talking about friendships, inclusion, and conflicts feels normal.
- **Define Digital Boundaries:** Keep a transparent eye on your child's online activity. Explain clearly that monitoring is to preserve their digital safety and teach online respect, not to invade their privacy.
- **Model Empathy Daily:** Demonstrate healthy conflict resolution in your own adult relationships, as children heavily imitate the communication styles they observe at home.

Let us work together to choose kindness, show respect, and ensure that every student feels safe and valued.

Regards,

Shamima Yasmin, Vice Principal GIS
