Head's Message

Dear Parents,

As we enter the Final Term at CGSD, we remain committed to supporting our students as they prepare to move ahead with confidence and a sense of purpose.

Alongside academics and ECAs, we are marking Round Square's 60th anniversary through the 60 for 60 Adventure Challenge. This student led initiative encourages learners to step beyond their comfort zones and work towards meaningful goals. At CGSD, students will collaborate on an artwork involving 60 participants in the students' lounge and create a 60 second film featuring Round Square participants from Dhaka and beyond.

Our senior students of Classes 9 to 11 are currently sitting for their O Level and AS Level examinations. While they are on study leave, learning continues in a different form, with teachers available at school to guide, support, and encourage those who need it, ensuring that no student feels alone in this important phase.

As Eid ul Adha approaches, it brings with it a reminder of values that go beyond the classroom, commitment, empathy, and togetherness. These are qualities we strive to nurture in our students every day, shaping not only how they learn, but who they become.

Wishing all our students, families, and staff a peaceful and blessed Eid.

Best regards,
Rubaiyat Razzaque
Head of School, CGSD
